I. Education

Doctor of Philosophy (Ph.D.) in Human Communication

Major Area: Organizational Communication

Arizona State University (August, 2009)

Thesis: *Discursive Accounts of Activity in Organizational Sensemaking*

Advisor: Steven R. Corman, Ph.D.

Master of Science (M.S.) in Medical Informatics

Kirksville College of Osteopathic Medicine (August, 2001)

Thesis: *In search of an electronic medical record: The information needs of rural primary care physician*

Advisor: Kimberly Harris, Ph.D.

Master of Science (M.S.) in Exercise Science (emphasis in Athletic Training)

The University of Arizona, Tucson, AZ (May, 1996)

Bachelor of Science (B.S.) in Sports Medicine

Marietta College, Marietta, OH (May 1994)

II. Current Position

Director, Athletic Training Program

Department of Interdisciplinary Health Sciences, AT Still University of Health Sciences.
Mesa, AZ (2009 -)

- Oversee all aspects of the NATA-accredited post-professional graduate athletic training education program.

Assistant Professor, Athletic Training:

Department of Interdisciplinary Health Sciences, AT Still University of Health Sciences.
Mesa, AZ (1996 -):

Current Courses Being Taught:

- AT 5200: *Orthopaedic Physical Examination & Diagnosis: Upper Extremity Injuries*, w/ Lab (previously: *Pathomechanics and Assessment of the Upper Extremity* –Current
- AT 6320: *Leadership & Professionalism in Healthcare* (previously: *Leadership in Sports Health Care* - Current
- AT 6125: *Healthcare Informatics & Technology* – Current

- AT 6220: Health Policy & Jurisprudence – Current

Past Courses Taught:

- *Pathomechanics and Assessment of the Lower Extremity*
- *Selected Topics in Sports Health Care*
- *Survey of Educational Technology*
- *Current Legal, Ethical, & Professional Issues in Sports Health Care*
- *Functional Rehabilitation of Sports Injuries*

III. Professional Experiences

Research Associate:

Arizona State University (Fall 2001-2004)

Supervisor(s): Steven R. Corman, Ph.D. & Kevin Dooley, Ph.D.

Consultant:

Crawdad Technologies, LLC:

Text, theme, and statistical analyses of corporate data (2003-2004)

Arizona State University, Hugh Downs School of Human Communication:

Development and re-design of online course on communication, technology, and everyday life (Fall, 2004)

Instructor, Department of Physician Assistant Studies

Advanced Physician Assistant Program, A.T. Still University, Mesa, AZ (1999 - 2006):

Courses Taught:

- *Sports Related Injuries to the Upper Extremity*
- *Sports Related Injuries to the Lower Extremity*

Coordinator, Clinical Education and Professional Experiences, Sports Health Care Department:

Arizona School of Health Sciences, A.T. Still University, Mesa, AZ (1996 – 1999; 2004-2005):

Teaching Assistant:

Arizona State University, Tempe, AZ (Spring, 2005)

Courses Taught:

- *Communication, Terrorism, and National Security*

University of Arizona, Tucson, AZ (1995-1996)

Courses Taught:

- *Evaluation and Management of Athletic Injuries*

Head Athletic Trainer:

Tucson High School, Tucson, AZ (1994-1996)

Clinical Athletic Trainer:

Fort Lowell Physical Therapy, Tucson, AZ (summer, 1995)

IV. Publications

VI. Grants & Gifts

\$26,000 December, 2009 (Project Coordinator). NATA Governmental Affairs Committee Discretionary Grant. **Funded.**

Funds support the legislative activities of the Arizona Athletic Trainers' Association and our critical to the operational budget of the Governmental Affairs Committee

- \$102,153 September, 2009 (Co-Investigator). *The effect of sport-related concussion on cognition, balance, symptoms and health-related quality of life in adolescent athletes*. The National Operating Committee on Standards for Athletic Equipment (NOCSAE). **Pending.**
This project aims to: 1) assess the immediate and prolonged effects of concussion on HRQOL in adolescent athletes, 2) assess the relationship between the measures of impairment (cognition, balance and symptoms) and disability (HRQOL), 3) compare the effect of sport-related concussion and musculoskeletal injury on HRQOL in adolescent athletes within the first 10 days post-injury and 4) collect "sport concussion impact" narratives from adolescents with sport-related concussion, identify the meanings they attribute to that concussion, and qualitatively determine the affects of concussion on their HRQOL.
- \$6,000 "National Sports Safety in Secondary Schools Benchmark™ (N4SB)" (Project Team Member). National Athletic Trainers' Association (Commissioned study)
The N4SB is a pilot benchmark study that will assess on a state-by-state basis the national market penetration of athletic trainers in public and secondary schools in order to gauge access to athletic training services. The study aims to determine how many schools have either full-time, part-time or outreach athletic trainers and what that access entails.
- \$374,990 April, 2009 (Investigator). *Injury Surveillance and Clinical Outcomes Research Enhancement Project (iScore)*. NATA Injury Surveillance and Outcomes System Research Project. (PI: Alison R. Snyder). **Not Funded.**
- \$10,000 March, 2009 (Investigator). *The Effects of Headache on Health-Related Quality of Life in Following Sport-Related Concussion*. National Headache Foundation. (PI: Tamara Valovich McLeod). **Funded.**
The broad, long-term objective of this research is to improve the HRQOL of individuals following sport-related concussion during childhood and adolescence

- \$8,000 December, 2008. (Project Coordinator). NATA Governmental Affairs Committee Discretionary Grant. **Funded.**
Funds support the legislative activities of the Arizona Athletic Trainers' Association and our critical to the operational budget of the Governmental Affairs Committee
- \$107,013 March, 2008 (Investigator). *The Clinical Outcomes Research Education for Athletic Trainers (CORE-AT) Project: Training Clinical Researchers for Evidence-Based Practice.* National Athletic Trainers' Association Foundation. (PI: Alison Snyder & Tamara Valovich McLeod). **Funded.**
The goal of this project is to educate and train post-professional athletic training students to utilize technology for the collection of healthcare outcomes data in order to practice in an evidence-based manner
- \$26, 699.00 Spring, 2007 (Investigator). *Shifting the paradigm: Moving from a deficits-based to a strengths-based view of individuals with autistic spectrum disorder.* AT Still University, Strategic Research Fund. (PI: Bernadette Mineo, PhD, OTR/L). **Funded.**
- \$109,672. Spring, 2007 (Investigator). *A prospective investigation of impairment and disability following concussion in pediatric athletes.* National Athletic Trainers' Association Foundation, February 2007. Direct and Indirect Costs: (PI: Tamara Valovich McLeod, PhD, ATC). **Not Funded.**
- \$63,000.00 Spring, 2006 (Investigator). *Health-related quality of life in Adolescents with Sport-Related Musculoskeletal Injury.* AT Still University, Strategic Research Initiative.. (PI: Tamara Valovich McLeod, PhD, ATC; Alison Snyder, PhD, ATC) **Funded.**
The goal of this project is to identify patient-oriented evidence for improving adolescent health-related quality of life, identifying the impact of sport-related musculoskeletal injury on adolescent health-related quality of life, and promote lifelong physical activity for adolescents to maximize health-related quality of life.
- \$2,000 Fall, 2005 (PI). *Words and deeds: A model of activity and communication in organizational sensemaking.* Arizona State University, Graduate & Professional Student Association Dissertation Support Program,. **Not Funded.**

VII. Award & Recognition

2008 Journal of Athletic Training Clint Thompson Award for Clinical Advancement. (see Publications section above)

Second Runner-up for the 2008 Journal of Athletic Training Clint Thompson Award for Clinical Advancement.

Dan Campbell Class 2 NATA Legislative Award (2008)

Awarded to the AzATA Governmental Affairs Committee (GAC) for outstanding governmental affairs efforts during my tenure as Chair, GAC

Warren H. Lee Certified Athletic Trainer of the Year(2007)

2nd highest honor bestowed on an athletic trainer in the State of Arizona by the Arizona Athletic Trainers' Association (AzATA)

Department of Sports Health Care / Athletic Training Outstanding Faculty Member of the Year Award (Class of 2005, Class of 2008)

Determined by the students of the athletic training program

Student Manuscript of the Year Award National Communication Association Organizational Communication Division –2003

Arizona School of Health Sciences Technology Award (1998 & 1999)

Recognized faculty engaged in progressive use of technology both in and out of the classroom.

VIII. Academic Advising

M.S. – Primary Advisor

Yuki Yanagimoto: TBD

Kyl Mohr, ATC: *Critically Appraised Topic: The effects of sport related injury on adolescent quality of life.* – ongoing.

Mariel Yakuboff, ATC: *A Temporal Analysis of Academic Degree Transitions in Five Peer Healthcare Professions*

Nick Carlson, ATC: *Specialization in the Athletic Training profession.* – ongoing

Aaron Fried, ATC: *Evidence-based and critical appraisal characteristics of the Journal of Athletic Training: 2002-2006*

Eric Ortega, ATC: *Clinical evaluation of lesions of the superior labrum: A systematic review.* – ongoing.

M.S. – Committee Member

Terricka Steward, ATC: TBD

Amy Jennings, ATC: *Athletic trainer perceptions of the impact of sport-related injury on athlete HRQOL* - ongoing

IX. Service

Professional

President, Arizona Athletic Trainers' Association (AzATA)

The AzATA is the professional member organization for Arizona's 500+ athletic trainers and athletic training students. The president serves as the chief spokesman of the association and chairs all meetings of the AzATA Board of Directors (2010 -)

Board Member, District 7 - Rocky Mountain Athletic Trainers' Association (2010 -)

Editorial Board Member, Athletic Therapy Today (2008 -)

Editorial Board Member, Journal of Sports Rehabilitation (2008 -)

Reviewer, Journal of Athletic Training

Reviewer, Athletic Training Educational Journal

Member, BOC Standards Committee (2008 -)

The Standards Committee recommends entry-level and continuing education requirements and policies to the BOC Board of Directors (BOC-BOD) and reviews relevant issues at the request of the BOC-BOD. Additionally, the Standards Committee reviews the Code of Professional Practice and recommends any revisions to the BOC- BOD

Member, NATA Continuing Education Committee (2007 - 2008)

The purpose of Continuing Education is to insure that individuals stay current in the field of athletic training. The CEC oversees all aspects of continuing education offered by the NATA

Chair, NATA Working Group on Communities of Practice (2006 - 2008)
Charged with exploring the idea of communities of practice as it applies to the NATA, and to identify related organizational structures and benefits for the enhancement of NATA members

Chair, Arizona Athletic Trainers' Association Governmental Affairs Committee (2005 -)
The AzATA GAC is responsible for identifying, developing and implementing state-based legislative strategies beneficial to the athletic training profession, its patients, and the Association. It is also responsible for monitoring all legislative developments in Arizona, but especially those that may have ramifications for the profession of athletic training, its patients, and the Association.

Member, NATA Post Professional Education Committee (2005 -)
The purpose of the PPEC is to promote accredited post-professional education programs and credentials that prepare athletic trainers for advanced clinical practice, and research and scholarship, in order to enhance the quality of patient care, optimize patient outcomes, and improve patients' health-related quality of life.

Member, NATA Uniform Terminology Project Committee (2005 -)
The UTP is responsible for considering terminology and phrasing for official use in NATA policy documents and publications

Member, NATA Multimedia Education Committee (1998- 2001)
This committee was responsible for reviewing and recommending multimedia products to the athletic training community for the purpose of education and clinical practice

Chair, Professional Education Committee: Arizona Athletic Trainers' Association (1998 - 1999)
The PEC is responsible for planning all educational programs offered by the AzATA, including the annual symposia and member meeting and the summer member meeting

Member, Professional Education Committee: Arizona Athletic Trainers' Association (1996 - 1998)
The PEC is responsible for planning all educational programs offered by the AzATA, including the annual symposia and member meeting and the summer member meeting

Member, Planning Committee, Arizona Athletic Trainers' Association State Meeting, 1998
A precursor to the Professional Education Committee, the Planning Committee was responsible for the planning of all facets of AzATA

educational programs including the annual symposia and member meeting and the summer member meeting.

University

Member, ATSU Faculty Senate Planning Committee (2009 -)

Charged with the development of a constitution for a university-wide faculty senate, per recommendations made by Higher Learning Commission. Will result in the first multi-school faculty governance body in the history of the university

Member, Academic Affairs Committee, ASHS Faculty Assembly (2006 -)

Secretary, ASHS Faculty Assembly (2004 – 2006)

The secretary keep minutes and records of the proceedings of the Faculty Assembly; receive and record minutes and reports from the committees of the Faculty Assembly; coordinate the dissemination of minutes and records of Faculty Assembly business to members of the Faculty Assembly and to other appropriate parties; serve as the parliamentarian of the Faculty Assembly.

Member, Still Well Committee, AT Still University (2004-2006)

Served as the ASHS representative to the Still Will Committee, which is responsible for educational and programmatic offerings related to the health and well-being of university faculty, staff, and students. I was personally responsible for planning and implementing faculty and staff wellness assessments on the Mesa campus.

Member, Ad Hoc Committee on Faculty Assembly Bylaws, Arizona School of Health Sciences (2003-2004)

Charged with the writing and approval of bylaws for the ASHS Faculty Assembly. The ASHS Faculty Assembly is the governance body for ASHS faculty, and was the 2nd official faculty governance body in the history of the university.

Member, Miscellaneous Search Committees:

- Department of Interdisciplinary Health Sciences, 2009
- Doctor of Health Sciences Program, 2008
- Department of Audiology. Arizona School of Health Sciences, 2001
- Department of Medical Informatics. Arizona School of Health Sciences, 2001
- Department of Sports Health Care. Arizona School of Health Sciences, 2000

Member, Technology Committee, Arizona School of Health Sciences, 1999-2001

Responsible for review of existing ASHS technology infrastructure and for making recommendations for use in teaching and research

Member, Promotion and Tenure Committee, Arizona School of Health Sciences, Phoenix, AZ (1999 - 2001)

The inaugural ASHS Promotion & Tenure Committee was charged to critically review the documentation supporting a faculty member's request for promotion and/or tenure to determine if the candidate meets the qualifications specified for that rank or tenure.

Member, Governance Committee, Arizona School of Health Sciences, Phoenix, AZ, 1996-1997

Responsible for reviewing, recommending, and developing policies and procedures for ASHS

Member, Clinical Coordinator Committee. Arizona School of Health Sciences, Kirksville College of Osteopathic Medicine. Phoenix, AZ, 1997 -2000

Responsible for reviewing, recommending, and developing inter-departmental policies related to clinical education coordination.

Member, Promotions Board, Arizona School of Health Sciences, Phoenix, AZ (1996-1997)

Responsible for reviewing students who were referred to the promotion board for academic difficulties.

Community

Medical Volunteer – P.F. Chang's Rock 'n' Roll Marathon, Phoenix AZ (2010)
Provided first aid and medical triage services to event runners.

X. Professional Development / Continuing Education

National Athletic Trainers' Association Annual Symposium:

- San Antonio, TX - 2009
- St. Louis, MO - 2008
- Anaheim, CA – 2007
- Atlanta, GA - 2006
- Indianapolis, IN - 2005
- St. Louis, MO - 2004
- Baltimore, MD - 2003
- Dallas, TX - 2002
- Los Angeles, CA - 2001

Professional Educator's Conference, Dallas, TX.

- January, 2009
- January, 2007

- NATA Research and Education Foundation (January, 2003)
- NATA Research and Education Foundation (January, 1997)

Kinetic Chain Festival. Sponsored by Gary Gray and Wynn Marketing San Diego, CA
September, 1998

The Winning Edge Nutritional Workshop, Phoenix, AZ. University of Arizona Fall,
1996

Rocky Mountain Athletic Trainers' Association Business Meeting and Clinical
Symposium

- Glendale, AZ - 2008
- Phoenix, AZ -2005

XI. Professional Affiliations
