About the Program

This course is designed to focus on an updated series of topics for primary care physicians, including family practitioners, internists and specialists, as well as physician assistants. All topics were selected for their clinical relevance. After the conference, physicians will be able to recognize, discuss, and incorporate prevention and treatment in their care plans pertaining to updates in infectious disease, diabetes and metabolic syndrome, cardiology, sport medicine including concussion at all ages, neurology, ENT related disorders, arthritic disorders, joint replacement, geriatrics, OB/GYN, dermatology and travel medicine.

The Palazzo® Hotel-Resort-Casino Las Vegas, Nevada

The Hotel – “Ranked first among Las Vegas Hotels in Travel + Leisure’s World’s Best Awards 2010.” Each suite at The Palazzo is specifically fashioned with your comfort and convenience in mind. A sunken living room decorated with a distinctly modern European design. Marble-appointed baths with oversized bath sheets. Luxurious high thread count 100% cotton sheets and duvets, and remote-control Roman shades and curtains with first-of-its-kind “touch control” technology. Befitting such accommodations are the miniscule touches and unparalleled service you expect from a palatial stay. The Palazzo is an escape to a life of luxury.

A special feature of the Resort is Canyon Ranch SpaClub®, an exquisite 134,000 square foot facility offering more than 100 spa and wellness services.

The Venetian® hosts one of the best Las Vegas restaurant selections on the Strip, with menus to suit any taste - from fine dining to casual.

Twice voted “Best Hotel Bar” by the readers of City Search, and known to celebrities and martini aficionados around the globe, V Bar is recognized as the first ultra lounge in Vegas. Created by the owners of New York City’s trend-setting supper club Lotus, and Los Angeles’ swank Sunset Room, V Bar offers a unique venue with urbane sophistication and sultry appeal...And, whatever your game, you’ll find it on The Palazzo casino floor.

Hotel Reservations

ATSU/KCOM has secured a room rate of \$169 for Tuesday thru Saturday nights for suites at The Palazzo (other discounted lodging options are available). The rates are for single/double occupancy per room. **Make your reservation by calling The Palazzo Reservations Department at 877-385-3885.** Be sure to identify yourself with **group code: RCMEP** and our group name: **A.T. Still University-Kirksville College. RESERVATIONS SHOULD BE MADE BY SATURDAY, JANUARY 28, 2012.**

Conference Information

Tuition is \$450 before January 27th and \$500 beginning January 28th, so please register at your earliest convenience! Tuition includes breakfasts, refreshment breaks, a lunch, welcoming reception and CD copy of program materials. Printed program materials are available for an additional \$10 charge. Tuition will be refunded upon notice of cancellation prior to the start of the program (less a \$50 administrative fee).

For more information - contact the continuing education office at ATSU-KCOM, 800 West Jefferson, Kirksville, MO 63501, or call (800) 626-2878 ext.2232; or direct at (660) 626-2232; or visit our website: www.atsu.edu.

Sponsorship and Acknowledgments

The ATSU-Kirksville College of Osteopathic Medicine Office of Continuing Education is accredited by the American Osteopathic Association (AOA) to provide continuing medical education for physicians. This program anticipates being approved for 25 hours of AOA Category 1-A CME credit hours pending approval by the AOA CCME. Each physician should claim only the hours of credit that he/she actually spent in the educational activity.

Disclosure

It is the policy of the ATSU-Kirksville College of Osteopathic Medicine Office of Continuing Medical Education to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating in these programs are expected to disclose to the program audiences any real or apparent conflict(s) of interest related to the content of their presentations and if their presentation will include any information regarding unapproved uses of pharmaceuticals or ongoing research (preliminary data).
