

About the Program

This annual primary care update program is a cooperative venture sponsored by the ATSU-Kirksville College of Osteopathic Medicine (KCOM) and presented on behalf of the Hawaii Association of Osteopathic Physicians and Surgeons (HAOPS). The program, held in a beautiful and healthy environment, will focus on:

- Psychiatry
- Dermatology
- Neurology
- Infectious Disease
- Geriatrics
- Somatic Dysfunction
- Internal Medicine
- Medical Education
- Orthopedics

Faculty members who are both academically and clinically oriented will present these informative sessions.

Upon completion of this educational activity, participants should be able to:

- Identify, diagnose and manage common clinical problems
- Employ valid assessment tools and screening tests to evaluate common clinical problems
- Obtain information on new and emerging treatment strategies and classify and implement appropriate treatment modalities

Join HAOPS and ATSU-KCOM in a memorable CME event you won't soon forget.

Welcoming Reception – Monday, March 15th

Join us for a performance of **RUBBER SOUL**, Hawaii's All Beatles Band. Experience the feelings, the memories, and the joys as Rubber Soul performs the music of The BEATLES with an authentic sound, original instruments, and apparel representative of the year 1964. Fred Goldblatt, D.O., COMS '81, aka "John," as well as Paul, George and Ringo invite you to fun-filled evening. WEAR YOUR 1960's MOD/HIPPIE ATTIRE and bring your British accent!

Sponsorship and Acknowledgments

The ATSU-Kirksville College of Osteopathic Medicine Office of Continuing Medical Education is accredited by the American Osteopathic Association (AOA) to provide continuing medical education for physicians. This program anticipates being approved for 25 hours of AOA Category 1-A credit pending approval by the AOA CCME. Each physician should claim only the hours of credit that he/she actually spent in the educational activity. It is the policy of the ATSU-Kirksville College of Osteopathic Medicine Office of Continuing Medical Education to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating in these programs are expected to disclose to the audience any real or apparent conflict(s) of interest related to the content of their presentation.
