LITTLEJOHN PAPERS

Accession No.:	375	Catalog No.:	D 345
Donor:	KCOM	Received:	1980
Volume:	46 items		
Contents:	Correspondence between the Littlejohns (David, James, and J. Martin) and the American School of Osteopathy and others, mostly having to do with ASO contract controversy (1899-1902).		
Dates:	1899-1913		
Listed by:	Cheryl Gracey, Former Curator, (2001 May) Debra Loguda-Summers, Curator (2003 Feb)		
Proc. Notes:	As the documents were in no apparent order, they were rearranged in chronological order. Undated items were placed in an extrapolated location based on their content. Most items have two holes punched at the top and the edges trimmed for placement in a binder; many also have pinholes. Handwritten items are in ink unless otherwise noted. Much of the paper is acidic and brittle.		
Related Material:	See Littlejohn Material listing
