WILLIAM L. JOHNSTON COLLECTION

Series 10: WLJ Library

- Accession No.: 2006.27.43–103
- Volume: ca. 6 linear ft.
- Contents: Selected books from WLJ's personal/professional library. Books were retained if they contained any markings by WLJ other than simply writing his name in the cover, or if there were bookmarks, highlighting, or other indications of areas of interest. * Blank bookmarks were replaced with acid-free strips; bookmarks with writing were put into sleeves and left in place. Papers tucked into the books were enclosed in acid-free paper and left in place. A master list of other books received but not retained was placed in the Johnston/Brooks donor file; consult the curator.
- Dates: 1899–1999; bulk 1970s–1990s
- Access: Unrestricted
- Handling: **CAUTION!** Books must be handled carefully to avoid dislodging the slips of paper and other inserts that WLJ left between the pages.
- Copyright and Permission to Publish: Normal copyright restrictions apply.
- Suggested Citation: William L. Johnston Collection, Museum of Osteopathic Medicine, (SM), Kirksville, Missouri [Accession #]
- Related Material: See the Publications and Presentations series (5) for books containing chapters by WLJ and for *Functional Methods*, the book he co-wrote with HD Friedman . Reprints and other non-book printed material are contained primarily in the Collected Research series; smaller amounts of reference material may be found in the series to which it relates.
