

**Invitation for Third Party Comments
Regarding the
A. T. Still University Dental Public Health Residency Program**

A.T. Still University's newly-established Dental Public Health Residency Program was evaluated for accreditation in 2011 by the Commission on Dental Accreditation (CODA) and was granted the status of initial accreditation. This program will be visited for a re-evaluation by the Commission on April 15, 2015, to obtain full accreditation status.

The Commission is accepting comments regarding the program's adherence to the Accreditation Standards for Advanced Specialty Education Programs in Dental Public Health. We invite communities of interest and the public such as faculty, students, program administrators, specialty and dental-related organizations, and consumers to provide their comments regarding the performance of this program directly to the Commission. The third-party comments will assist the program to improve its educational quality and meet its training goals and objectives.

Please note that all comments must be signed; however, signatures will be removed from comments prior to forwarding them to the program. Comments submitted must pertain only to the Standards for Advanced Specialty Education Programs in Dental Public Health or policies and procedures used in the Commission's accreditation Process.

A copy of the accreditation standards for specialty training programs in dental public health and/or the Commission's policy on third-party comments may be obtained by contacting the Commission at 211 East Chicago Avenue, Chicago, IL 60611, or by calling 1.800.621.8099, extension 4653.

The deadline for the third party comments is February 15, 2015 (60 days prior to the site visit). Please submit your written comments to:
