

About the Doctor

Jae Hyun Park, D.M.D., M.S.D., M.S., Ph.D.

Dr. Jae Hyun Park is a highly regarded, Board Certified Orthodontist with a strong commitment to clinical education, patient care and research. He is also the Professor and Director of the Postgraduate Orthodontic Program at the Arizona School of Dentistry & Oral Health. He received the Joseph E Johnson Clinical Award at the American Association of Orthodontists (AAO) Table Clinic Competition during the 2011 AAO Annual Session. The AAO also appointed him to be the recipient of the AAO Academy of Academic Leadership Sponsorship Program Award for 2010. He is also a Diplomate of and Examiner for the American Board of Orthodontics.

He was also selected to serve as the lead judge for the 2013 and 2016 Intel International Science and Engineering Fairs which were held in Phoenix. He judged on behalf of the American Dental Association Foundation (ADAF) and presented three Special Awards representing the ADAF Organization.

Dr. Park was also recently appointed as Editor-in-Chief of the *Journal of Pacific Coast Society of Orthodontists (PCSO Bulletin)*. He also serves as an editorial board member of several peer-reviewed orthodontic and dental journals including *The Angle Orthodontist*, *Seminar in Orthodontics*, and *Journal of Clinical Orthodontics* as well as associate editor of *World Federation of Orthodontists* and *Journal of Clinical Pediatric Dentistry*. He was recently invited to be a guest editor of Seminars in Orthodontics.

Dr. Park received his undergraduate education from Seoul National University (SNU) where he graduated with honors. He also earned D.M.D., M.S.D., and Ph.D. degrees from the dental school at Kyung Hee University (KHU), one of the most prestigious schools in South Korea. He also completed his Master of Public Health studies at the Graduate School of Public Health at SNU.

After moving to the States, he earned a Master of Science degree from the Graduate School of Arts and Science at New York University, College of Dentistry (NYUCD) and completed the Postgraduate Orthodontic Program there, receiving the Dean's Award, the 1st place of Master of Science Resident Research Award, and the 1st place of Post Graduate Resident Research Award. Some of his research was submitted for a patent by New York University.

Dr. Park gained "hands-on" experience during almost 10 years of service as an orthodontist in Korea. While maintaining his practice, he also served as a clinical

assistant professor at the Graduate School of Dentistry at KHU and was recently appointed to do research as an international scholar with the school.

Dr. Park worked as an orthodontic teaching fellow and member of the undergraduate clinical orthodontic faculty at NYUCD. He represented the school at the 2006 AAO annual session where he competed against 47 other orthodontic representatives, winning 1st place in the Orthodontic Resident Scholars Program.

Dr. Park is currently President of the Arizona State Orthodontic Association. To be more involved in the Arizona Orthodontic Study Club (AOSC), the leadership team of the AOSC also recently appointed Dr. Park to be an honorary member of AOSC. AOSC is one of the first and oldest orthodontic study clubs in the United States.

While working as a full-time faculty member since 2008, he has published more than 180 scientific and clinical articles in peer-reviewed orthodontic and dental journals including three cover pages in the *American Journal of Orthodontics and Dentofacial Orthopedics*, 2 books, and 15 book chapters in addition to fulfilling his teaching and administrative duties. He also lectures nationally and internationally.

Dr. Park has been recognized by Marquis Who's Who, American Biographical Institute, and the International Biographical Center of Cambridge.
