

Instructions for OVD – Beginning

1) Accessing OVID is possible via the Site Map Or Quick Links section of the Library Homepage, circled in red below, (www.atsu.edu/atmslib) and many of the individual Program Pages.

Then, select OVID from the list of databases as pictured in the red circled area below on the Quick Links page:

2) After selecting the appropriate campus (Arizona or Missouri), choose the databases you want to search within OVID.
