Course Overview

This course is designed for physicians interested in expansion of their primary care knowledge and skills. The curriculum will feature a diverse selection of up-to-date, practical topics in primary care medicine. Time will be provided for questions and discussion of clinical problems commonly encountered by course participants. At the conclusion of this conference, participants should be able to:

- Competently discuss the latest issues facing primary care providers
- Apply new practices and methods in patient diagnosis, treatment and management
- Employ valid assessment tools and screening tests to evaluate common clinical problems

Conference Information

A complete program flash drive will be provided to attendees upon arrival at the conference. Tuition is $450 until November 1st and $500 after this date, so please register ahead. Tuition includes CD copy of program materials, breakfasts, refreshment breaks, and a reception. Tuition will be refunded upon notice of cancellation prior to the start of the program (less $50 administrative fee).
