The standard student budget is a conservative estimate of the cost to attend KCOM and maintain a modest but adequate standard of living. A student’s financial package may not exceed these totals, except in certain well-documented cases. Federal regulations limit the budget to direct living expenses for the student only. Please contact Student Financial Services at 866.626.ATSU, ext. 2529 with any questions about this budget.

**Housing** ................................................................. 8,206
