A.T. Still University

Home of the world’s first osteopathic medical school, founded in 1892, A.T. Still University is a renowned healthcare education and training university as well as a leading educator in multidisciplinary healthcare founded on whole person care. ATSU includes the Kirksville College of Osteopathic Medicine (KCOM), the School of Osteopathic Medicine in Arizona (SOMA), the Arizona School of Health Sciences (ASHS), the Arizona School of Dentistry & Oral Health (ASDOH), and the online School of Health Management (SHM).

Kirksville College of Osteopathic Medicine

Kirksville College of Osteopathic Medicine, located in Kirksville, Mo., offers three degree programs: doctor of osteopathic medicine (D.O.), master of biomedical sciences (M.S.), and a dual degree (D.O./M.S). KCOM has a rich history of providing leadership for comprehensive medical education, research, and healthcare. KCOM uses the latest technology to give students broad educational experiences and has opened a new 12.5 million dollar information technologies center.

The Curriculum

KCOM students spend the first two years studying the basic sciences and clinical introductions in a classroom setting. The Complete DOctor, a course specific to KCOM, incorporates early clinical experiences with didactic study in medical law and ethics, physical exam skills, cultural diversity and spirituality in medicine, and communication skills. Third- and fourth-year students have the option of completing their clinical rotations in one of KCOM’s national rotation regions. These regions currently include Arizona, Colorado, Illinois, Iowa, Kansas, Michigan, Minnesota, Missouri, New Jersey, Ohio, Pennsylvania, and Utah. View our catalog and complete curriculum online at www.atsu.edu.

Requirements for Admission

1. Applicants must have completed 90 semester hours or three-fourths of the required credit for a degree from a college or university (30 hours of which must be at a four-year, degree-granting institution) accredited by a regional educational association. Most accepted candidates have earned a baccalaureate degree prior to matriculation.
2. Applicants must have achieved a minimum 2.5 cumulative GPA and a 2.5 minimum science GPA on a 4.0 scale.
3. Applicants are required to submit scores from the Medical College Admission Test (MCAT). The college requires MCAT test scores taken within three years of application.
4. Applicants must have completed the following courses prior to matriculation:
   - Biology – one year with laboratory or 8 semester hours/12 quarter hours
   - Physics – one year with laboratory or 8 semester hours/12 quarter hours
   - Inorganic Chemistry – one year with laboratory or 8 semester hours/12 quarter hours
   - Organic Chemistry – one year with laboratory or 8 semester hours/12 quarter hours
   - English – 6 semester hours/8 quarter hours

Applicants
KCOM received more than 3,000 applications and matriculated 172 students into the D.O. program for the 2009-2010 school year.

Application Information
KCOM participates in the American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS). Primary applications may be completed at https://aacomas.aacom.org. AACOMAS begins accepting applications in May for the following year. KCOM's application deadline is February 1. KCOM has a rolling admissions cycle, and applicants are encouraged to apply early.

Tuition and Expenses
Tuition for the KCOM 2009-2010 academic year is estimated at $40,345 for first year students. In addition, all students will be assessed annual fees for additional education supplies. Average cost of books per quarter is $474, and the average cost of medical equipment for the first year is $725. Tuition and fees are subject to change and will be determined by the Board of Trustees.

Financial Assistance
Financial support, including private and federal loans, is available for students accepted into KCOM through the Financial Services Office. This office assists students in developing a comprehensive financial assistance package based on individual needs. For additional information, contact financialaid@atsu.edu.

Accreditation
The Kirksville College of Osteopathic Medicine is accredited through the Bureau of Professional Education of the American Osteopathic Association, 142 East Ontario St., Chicago, IL 60611, 800.621.1773. ATSU is accredited through The Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools (NCA), 30 North LaSalle St., Suite 2400, Chicago, IL 60602, phone 800.621.7440.
