Residency Coordinator Network Group

The Residency Coordinator Network Group meets quarterly and is open to all coordinators and support staff of our partner residency programs.

PURPOSE

Building relationships, collaboration, and sharing best practices and resources.

NCOPPE provides resources for your residency programs, including resources to promote osteopathic education.

Meeting Highlights

March 4, 2022

Shared Documents and Links

[Coordinator Snapshots](#)

The NCOPPE website now features a Coordinator Network Group page

Special Offer for Graduating Residents

- 2022 graduating residents from NCOPPE partner programs are eligible for a one-year individual NCOPPE membership at a discounted rate of \$100.
- Residents will receive an email mid-June with a coupon code
- Offer must be redeemed by October 31, 2022

Resident Research/Scholarly Activity Funding

Every year, NCOPPE sponsors 12-15 awards to support resident research and scholarly activity.

- Travel expenses to regional, state, or national conferences
- Reimbursement for research supplies and expenses
- Up to \$1,250 per award
- Awarded on a first-come basis
- Applications accepted beginning July 1st for the 2022-2023 academic year

Orientation Best Practices & Ideas

Scavenger Hunt (use Twitter or Instagram for photo scavenger hunts)

- Operationcityquest.com to help familiarize them with their new city
- Community services (i.e., Community Action, victim support services, food banks, etc.) to whom they may make referrals
- Websites they need to access
- Hospital campus locations (i.e., mental health services, administrative offices, etc.)

Future Topics

- How to get residents to stay on top of evaluations and submissions (case logs, etc.)
- Conversations regarding APEs
- How to deal with a problematic resident

Next Meeting

TBD for sometime in August or September
