## 5 Select “UpToDate”

The screenshot displays the NCOPPE Toolkit website. At the top is a dark navigation bar with links: HOME, LIBRARY SERVICES, ALUMNI, PRECEPTORS, ABOUT THE LIBRARY, ASK A LIBRARIAN, SITE MAP, and LIBGUIDES. Below this is a banner with the title "NCOPPE Toolkit" in large white letters. On the left is a vertical sidebar with a blue header "Still Opti Home" and several menu items: "Key Evidence-Based Practice Resources", "Drug & Pharmacy Resources", "Clinical Research Article Resources", "Clinical e-Books & Libraries", "Consumer Health Resources", "Continuing Medical Education Resources", "Osteopathic Medical Residency Websites", and "Family Medicine Resources". The main content area is titled "Key Evidence-Based Practice Resources" and contains a list of links: "Cochrane Library", "DynaMed", "Natural Medicines", "PubMed", "Access Info & More..." (under PubMed), "Trip Clinical Search Engine", "UpToDate" (highlighted with an orange arrow), "Access Info & More..." (under UpToDate), "VisualDx", and "More Clinical Resources". Below this section is another heading, "Drug & Pharmacy Resources".

## 6 Click “Sign In”

The screenshot shows the UpToDate website interface. The browser's address bar displays `uptodate.com/contents/search`. The UpToDate logo is in the top left, and the text "A.T. Still University of The Health Sciences" is in the top right. A blue navigation bar contains links for "Contents", "Calculators", "Drug Interactions", and "UpToDate Pathways". To the right of these links are two buttons: "Register" (orange) and "Sign in" (green). An orange arrow points to the "Sign in" button. Below the navigation bar, the "UpToDate" logo is centered. A search bar with the placeholder text "Search UpToDate" and a magnifying glass icon is positioned below the logo. At the bottom, a copyright notice states: "UpToDate content is protected by copyright and owned and/or licensed by UpToDate, Inc. By accessing or using UpToDate content, you accept the terms and conditions of the [CE Terms of Use](#), which prohibit the use, training, inputting or processing of UpToDate content by or into automated software or tools, including, but not limited to, artificial intelligence solutions, algorithms, machine learning, and/or large language models."
