

“It is certainly important to be looking for cures to medical disorders, but it is equally important to conduct research on human health and well-being.”
~Stephen LaBerge

Ali SI, Mallas-Serdynski L, Thomas K [student]*. Get with the guidelines award winning hospitals are associated with decreased door to needle times in Michigan and Wisconsin. Poster presented at: International Stroke Conference 2016; February 16-19, 2016; Los Angeles, CA.

Allen D*, Konecny L*, Halupa C*. Matters of evidence: engaging students to stay in school. Presented at: 7th Annual International Conference on the Health Risks of Youth; January 6-9, 2016; Cancun, Mexico.

Anderson BE*, Welch Bacon CE. The value of epidemiological measures to track injury trends: using patient care data to keep you informed. Presented at: 39th Annual Arizona Athletic Trainers' Association Winter Symposium; January 23-24, 2016; Phoenix, AZ.

Bordenave L*, Roehling T*. The effect of diaphragmatic breathing exercise in females with urge urinary incontinence. Presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Bordenave LM*, Fay D, Wilkinson T, Burch A. Evidence-based practice: beliefs, attitudes, knowledge, behaviors and self-efficacy of physical therapists: preliminary findings. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Farooq MU, Thomas K [student]*. Acute stroke ischemic symptom onset-to-arrival time in Michigan hospitals. Poster presented at: International Stroke Conference 2016; February 16-19, 2016; Los Angeles, CA.

Farris JW*, Hortin A [alum], Lenderink J [alum], Peintner T [alum]. Efficacy of dynamic warmup on vertical jump, speed, and agility: a systematic review. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Heick J*, Valovich McLeod T, Bay C, Dompier TP. Learning effect and the impact of age and sex on the King-Devick test in healthy individuals aged 14 to 24 years. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Heick J*, Valovich McLeod T, Bay C, Dompier TP. Test-retest reliability and the minimal detectable change of the King-Devick test in healthy individuals aged 14 to 24 years. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Presentations and abstracts, continued

Karimi YH*, Jain N, Green M, Godley LA, Weiner HL, Malnassy G, Fulton N, Artz A, Liu H, Thirman MJ, Daunov M [student], Larson RA, Stock W, Odenike O. Dose-escalation study of azacitidine followed by high-dose cytarabine (HiDAC) and mitoxantrone (Mito) for remission induction in high-risk acute myeloid leukemia (AML). Presented at: 57th Annual Meeting of the American Society of Hematology; December 5-8, 2015; Orlando, FL.

Konecny LT*. Exploring youth engagement and retention in new and emerging learning environments. Presented at: 7th Annual International Conference on the Health Risks of Youth; January 6-9, 2016; Cancun, Mexico.

Manton C*, Garibaldi S [alum], Harrell K [alum]. The association of the Functional Movement Screen and physical fitness measures with musculoskeletal injury in firefighter recruits. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

McIsaac T*, Muratori L*, Fritz N*, Plummer P*. Dual-task interference: definition, measurement, and intervention. Presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Olsen LK*, Clark JK, Temple MA. An examination of school health education doctoral programs in the U.S. Presented at: 7th Annual International Conference on the Health Risks of Youth; January 6-9, 2016; Cancun, Mexico.

Olsen LK*, Young ME, Peña De La Cruz A*. Attitudes of student nurses toward obese persons. Presented at: 7th Annual International Conference on the Health Risks of Youth; January 6-9, 2016; Cancun, Mexico.

Park PY [student]*, McAferty KV, Ahmadi M, Chen K, Chang J, Dragovich T, Kundranda MN. Radiological markers of treatment responsiveness in patients (pts) with metastatic pancreatic ductal adenocarcinomas (mPDAC) receiving systemic chemotherapy. Poster presented at: American Society for Clinical Oncology 2016 Gastrointestinal Cancers Symposium; January 21-23, 2016; San Francisco, CA.

Roush JR*, Ashburn N [alum], Mills E [alum], Rice E [alum], Russell V [alum]. Consistency of the 10-meter walk test with one-week intervals in an independent, community-dwelling: older adults, age 70-80 years. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Roush JR*, **Bay C**. Estimating the patient's true score based on one observation: the use of score bands. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Sartor-Glittenberg C*, Beagle C [student], Negrete K [student], Patel J [student], **Bay C**, **Alexander J**, **Bordenave LM**, **Bordenave E**. Effect of the Matter of Balance program on avoidance behavior due to fear of falling in older adults. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Presentations and abstracts, continued

Sartor-Glittenberg C*, Hart C [alum], Rowe N [alum], Strangberg E [alum], **Bay C, Alexander J, Bordenave LM, Bordenave E**. A longitudinal study on the effects of a Matter of Balance program on concerns about falling and health-related quality of life. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2016; February 17-20, 2016; Anaheim, CA.

Tasch J [student], **Ramaraj P***. In-vitro determination of androgens (androstenedione and testosterone) roles in increased male mortality in melanoma using a mouse melanoma (B16F10) cell model. Poster presented at: 2015 American Society for Cell Biology Annual Meeting; December 12-16, 2015; San Diego, CA. Abstract published in: Mol Biol Cell. 2015;26(25):4523.

Valovich McLeod T*. Concussion education to inform collaboration for aiding return to work and school. Presented at: Interdisciplinary Approach in Concussion Management with Treatment Strategies Annual Summit; January 22-23, 2016; Phoenix, AZ.
