Rocky Mount, North Carolina

Rural Health Center
Roanoke Rapids, North Carolina

Sun Life Family Health Center
Casa Grande, Arizona

Sunset Community Health Center
Yuma, Arizona

Teche Action Clinic
Franklin, Louisiana

CURRICULUM

DIDACTIC YEAR (14 MONTHS)

- » Large-group lectures (*case studies, interactive clickers, and projects*)
- » Small-group labs working with other students and faculty to practice skills (*clinical skills, procedures, history taking, and physical exam*)
- » Curriculum delivered in mixed format
- » Standardized patient encounters
- » Didactic clinical experiences in Arizona include supervised clinical experience at emergency dental clinic, primary care, orthopedics, hearing and balance clinic, behavioral health, dermatology, gastroenterology, neurology, OT/PT clinic, and falls prevention training.
- » Work closely with preceptors and patients
- » Early entry availability for the Doctor of Medical Science program

CLINICAL YEAR (12 MONTHS)

- » Twelve four-week supervised clinical practice experiences at sites throughout Arizona or at a CHC partner located in various parts of the U.S.
- » Clinical practice experience areas include family medicine, internal medicine, pediatrics, emergency medicine, women's health, general surgery, behavioral health, and elective.

PREREQUISITES

- » General Chemistry* (*min. 4 semester credits*)
- » Human Anatomy with lab* (*min. 4 semester credits*)
- » Human Physiology with lab* (*min. 4 semester credits*)
- » Microbiology* (*min. 3 semester credits*)
- » Biochemistry* (*min. 3 semester credits*)
- » Psychology (*min. 3 semester credits*)
- » College Statistics (*min. 3 semester credits*)
- » English Composition (*min. 3 semester credits*)
- » English elective (*min. 3 semester credits*)
- » Medical Terminology (*min. 1 semester or quarter hour*)
- » 500 hours of healthcare experience that involves patient contact (1,000 hours strongly recommended)
- » Minimum 100 community service hours (recommended)
- » Shadowing with a physician assistant (recommended)

If you have taken a combined Anatomy and Physiology course, you must have two or more semesters (each with lab).

**Recommended that course be completed within five years of application.*

ACCREDITATION

A.T. Still University is accredited by the Higher Learning Commission, 230 S. LaSalle Street, Suite 7-500, Chicago, IL 60604, phone: 800.621.7440, fax: 312.263.7492, email: info@hlcommission.org, website: www.ncahl.org. At its March 2024 meeting, the Accreditation Review Commission on Education for the Physician Assistant, Inc. (ARC-PA) placed the Arizona School of Health Sciences Physician Assistant Program sponsored by A.T. Still University on Accreditation-Probation status until its next review in March 2026. Probation accreditation is a temporary accreditation status initially of not less than two years. However, that period may be extended by the ARC-PA for up to an additional two years if the ARC-PA finds that the program is making substantial progress toward meeting all applicable standards but requires additional time to come into full compliance. Probation accreditation status is granted, at the sole discretion of the ARC-PA, when a program holding an accreditation status of Accreditation - Provisional or Accreditation - Continued does not, in the judgment of the ARC-PA, meet the Standards or when the capability of the program to provide an acceptable educational experience for its students is threatened. Once placed on probation, a program that fails to comply with accreditation requirements in a timely manner, as specified by the ARC-PA, may be scheduled for a focused site visit and is subject to having its accreditation withdrawn. Specific questions regarding the Program and its plans should be directed to the Program Director and/or the appropriate institutional official(s).

Academic year 2024-25
