LOCATIONS OF ATSU-SOMA POSTGRADUATE POSITIONS
OGME-1R, Residency
This is the first year of residency training in specialties where the OGME-1 year is incorporated into the residency (option 1). Educational content is set by the respective specialty colleges as approved by AOA and is supervised by the institutional residency program director.

Option 1 Specialties as of March 1, 2019
• Anesthesiology
• Emergency medicine
• Family medicine and OMT
• Family medicine/emergency medicine
• General surgery
• Integrated family medicine/NMM
• Internal medicine
• Internal medicine/emergency medicine
• Internal medicine/pediatrics
• Neurological surgery
• Neurology
• Obstetrics and gynecology
• Orthopedic surgery
• Otolaryngology/facial plastic surgery
• Pediatrics
• Psychiatry
• Urological surgery
• Proctologic surgery

OGME-1P, Preliminary Internship
This is the first year of training preliminary to residency training in specialties requiring a preliminary tracked internship year (option 2). Educational content is set by the respective specialty colleges as approved by AOA. OGME-1P trainees are supervised by the institutional intern program director. This is an internship year.

Option 2 Specialties as of March 1, 2019
• Diagnostic radiology
• Neuromusculoskeletal medicine and OMM
• Ophthalmology
• Pathology
• Physical medicine and rehabilitation
• Radiation oncology

OGME-1T, Traditional Internship
This is the first year of training preceding residency training in specialties requiring a traditional internship (option 3), or unrelated to a residency for trainees who have not yet decided on a specialty and/or who want the option of a traditional internship year. This is an internship year.

Option 3 Specialties as of March 1, 2019
• Dermatology
• Public health and preventative medicine
