DOCTOR OF AUDIOLOGY (AuD)
Residential program fact sheet with student outcome data

A.T. Still University
Home of the world’s first osteopathic medical school, founded in 1892, A.T. Still University (ATSU) is a renowned healthcare education university and a leading educator in multidisciplinary whole person healthcare. ATSU’s schools include: Kirksville College of Osteopathic Medicine, School of Osteopathic Medicine in Arizona, Arizona School of Health Sciences, Arizona School of Dentistry & Oral Health, Missouri School of Dentistry & Oral Health, College of Graduate Health Studies, and College for Healthy Communities.

Arizona School of Health Sciences
A.T. Still University-Arizona School of Health Sciences (ATSU-ASHS), located in Mesa, Arizona, offers doctoral and master of science degrees in a wide range of healthcare disciplines and strives to advance healthcare by educating compassionate, competent healthcare professionals. The School’s interdisciplinary and technology emphasis, with incorporation of a philosophy of wholeness and treatment of body, mind, and spirit, creates an excellent professional educational environment.

Doctor of Audiology (AuD)
Audiology is the science of hearing and study of audiovestibular processes. Audiologists are healthcare professionals trained in the development, anatomy, physiology, and pathology of the audiovestibular system, as well as the evaluation, rehabilitation, and psychology of hearing and balance impairment. In addition, audiologists provide counseling and training in the use of amplification devices and remediation of hearing and vestibular disorders.

Application information
The Doctor of Audiology program only accepts applications through the Communication Sciences and Disorders Centralized Application Service (CSDCAS). Apply through CSDCAS, and select A.T. Still University-Arizona School of Health Sciences and Audiology. Applications are reviewed in the order they are received. Applicants are encouraged to submit the application with all required documents to CSDCAS at least two to three weeks prior to the deadline to ensure completed applications are received by the Admissions Committee by Feb. 15. Please visit atsu.edu/aud-apply for additional program information and instructions on how to apply. For program-specific information, contact Zarin Mehta, PhD, at 480.219.6261 or zmehta@atsu.edu.

Requirements for admission
1. Applicants accepted for admission into the residential Doctor of Audiology program will have earned a baccalaureate degree from an accredited undergraduate institution. All degree requirements must be completed, and the undergraduate degree must be posted by July 1. Applicants who do not meet this requirement will not be reviewed.
2. Applicants must have achieved an overall undergraduate GPA of 2.70 or an overall GPA of 3.0 in the final 60 semester hours of undergraduate study (on a 4.0 scale).
3. Applicants must have achieved a GPA of 2.50 in undergraduate science courses (on a 4.0 scale).
4. Applicants are expected to be computer literate and experienced in word processing. All curricula require extensive computer usage.
5. For the upcoming application cycle, the Graduate Record Exam (GRE) is not required.
6. Applicants must submit three letters of recommendation through CSDCAS.
7. Applicants must submit a personal resume under “Other Documents” in CSDCAS or enter data in the “Experiences, Achievements, and Conferences Attended” sections under “Supporting Information”
in CSDCAS in place of a personal resume.

8. Applicants must complete all prerequisite courses by the end of the term prior to matriculation.

9. Applicants who are considered potential candidates will be required to participate in an interview. Personal interviews conducted on-site are preferred; however, interviews also may be conducted by telephone or video conferencing.

10. All students are required to demonstrate proficiency in English when applying to ATSU-ASHS. Students can find information on the methods by which they may demonstrate their English proficiency in the General Admissions section. Visit atsu.edu/doctor-of-audiology-degree#requirements to view ATSU international admissions requirements online.

11. Applicants who wish to be considered for more than one program must submit a separate application fee, official test scores required by each program, transcripts, and references for each health science program. Acceptance to ATSU-ASHS is to a specific program and is not transferable to any other program. Application materials are not transferable from one application year to another.

12. Applicants are required to submit all official college or academic transcripts through CSDCAS.

13. Accepted students are required to submit to a criminal background check at their own expense prior to starting the program.

14. Prerequisite coursework:

   » Biology - (e.g., biology, microbiology, anatomy, neuroscience/neuroanatomy, physiology, histology, cell biology, genetics) Minimum of three semester/four quarter hours
   » English - (e.g., writing/composition, grammar, literature) Minimum of three semester/four quarter hours
   » Humanities - (e.g., philosophy, religion, literature, fine arts, logic, ethics, foreign language, history, music, theater) Minimum of three semester/four quarter hours
   » Statistics/College Algebra or higher - Minimum of three semester/four quarter hours
   » Social Sciences - (e.g., psychology, cognitive science, linguistics, sociology, anthropology, economics, political science) Minimum six semester/eight quarter hours
   » Physical Science - (e.g., chemistry, physics, electronics, geology, acoustics) Minimum of three semester/four quarter hours

Tuition and expenses
Tuition for the Doctor of Audiology program for the 2023-24 academic year is $26,596 per year for first-, second-, and third-year students. Tuition for fourth-year students for the 2023-24 academic year is $25,096. There is also a $1,350 per year educational supply fee. All tuition and fees are subject to change.

Financial assistance
Financial support, including private and federal loans, is available for students accepted into the Doctor of Audiology program. Enrollment Services assists students in developing a comprehensive financial assistance package based on individual needs. Requests for information regarding loans and other financial assistance should be directed to enrollmentservices@atsu.edu. Scholarship and financial assistance opportunities are listed on ATSU’s website at atsu.edu. Veterans Administration benefits may also be used.

Accreditation
The Doctor of Audiology (AuD) education program in audiology (residential) at the A.T. Still University – Arizona School of Health Sciences is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association, 2200 Research Boulevard, #310, Rockville, MD 20850, Phone 800.498.2071 or 301.296.5700.

Degree-granting authority for the Arizona School of Health Sciences has been given by the Arizona State Board for Private Postsecondary Education, 1400 West Washington Rd., Room 260, Phoenix, AZ 85007. Phone 602.542.5709.
Student outcome data

On-time program completion rates (four-year time frame)

<table>
<thead>
<tr>
<th>Period</th>
<th># completed within expected time frame</th>
<th># completed later than expected time frame</th>
<th># not completed</th>
<th>% completed within expected time frame</th>
</tr>
</thead>
<tbody>
<tr>
<td>Recent year (2022-23)</td>
<td>10</td>
<td>0</td>
<td>0</td>
<td>100%</td>
</tr>
<tr>
<td>1 year prior (2021-22)</td>
<td>11</td>
<td>0</td>
<td>0</td>
<td>100%</td>
</tr>
<tr>
<td>2 years prior (2020-21)</td>
<td>8</td>
