

## Arizona School of Dentistry & Oral Health

<b>ATSU Diversity Excellence Award</b>	7 awards, 1 per school	Up to \$1000	ATSU is dedicated to supporting a diverse student body to become the future of quality healthcare for underserved communities. The Diversity Excellence Award supports students from all backgrounds to enhance the educational experience at ATSU. The Diversity Excellence Award rewards students dedicated to reducing healthcare disparities who demonstrate academic success, leadership, and community engagement. This award is for students going into their final year of study, is based on merit and not financial need. Selection is not limited to students from a minority or underserved background; but rather students actively working to improve the wellbeing and healthcare of diverse communities.
<b>Board of Trustees Scholarship</b>	7 awards, 1 per school	Up to \$1000	The purpose of this scholarship is to provide financial support to ATSU students with financial need.
<b>Dr. Jack Dillenberg Dual Degree (DMD and MPH) Scholarship</b>	2 awards	Up to \$2000	Dr. Dillenburg was the inaugural dean at ATSU-ASDOH. His vision led to the first dental school class of ASDOH. It was his commitment to dentistry and public health that led to this innovative program. This fund shall be used to benefit ATSU-ASDOH students in good standing and working toward completion of the Masters of Public Health (MPH) dental emphasis program while enrolled as a dental student at ASDOH and taking MPH courses from CGHS.
<b>Norman Gevitz, PhD, Non-Endowed Scholarship</b>	12 awards, 2 per school	Up to \$1000	The purpose of this scholarship is to provide financial assistance to students who: (1) have overcome obstacles such as socioeconomic or educational disadvantages or disabilities, or (2) are the first generation in their family to attend college.
<b>Tom Curtin, MD, Scholarship</b>	2 awards	Up to \$750	This scholarship has been established to honor the career and legacy of Tom Curtin, MD, and his commitment to the National Association of Community Health Centers (NACHC), as well as his role in helping create a one-of-a-kind curriculum for ATSU's School of Osteopathic Medicine in Arizona (SOMA), advance the future of healthcare, and ensure the needs of underserved and underrepresented populations are met. This scholarship provides financial assistance to Hometown Scholars, students committed to working in a community health center upon graduation, attending either SOMA or ASDOH. Recipients must be Hometown Scholars in good standing and entering their 4th year of study.
