PRAXIS EXAMINATION PASS RATES

The Praxis is the national examination administered by ETS and required by most states for audiology licensure. The percentages below reflect the highest scores of test takers.

PASS RATE %

» 2021-22.....	83.3%
» 2020-21.....	88.9%
» 2019-20.....	100%
» 3-year average.....	90%

The Praxis examination reporting period is the testing year or examination cycle, not the year of graduation for the test takers. The data for each reporting period may include test takers who graduated from the program within the prior three years.

PROGRAM & CURRICULUM

- » Audiology is the science of auditory vestibular processes
- » The audiologist is concerned with the anatomy, physiology and pathology of the auditory and vestibular systems, as well as treatment of hearing and/or balance disorders
- » In-depth didactic and scientific foundation classes, hands-on labs, and clinical rotations beginning in the first semester
- » 4 year/165 semester-credit-hour doctoral program with full-time clinical rotations in the final year

STUDENT OUTCOMES

- » Provide clinical services competently across the scope of practice of audiology, in a variety of settings, and among diverse patient populations
- » Provide audiologic services in an ethical, legal, and professional manner
- » Demonstrate an appreciation of service responsibilities, leadership skills, and lifelong learning
- » Meet doctoral level credentialing requirements for the profession of audiology

PREREQUISITES
