*Year 3 PA tuition is a result of the shift to the common calendar beginning with the class of 2021, represented as Year 2 students above. This transition resulted in the movement of the "summer quarter" from the beginning of the program to the end. Year 3 tuition reflects the anticipated cost of tuition for a partial year of course work which will be charged to students beginning with the class of 2021 in fiscal year 2021-22.
