PT838 Capstone Project	3	Advance Credit	Competency Met	PT500
Total Advance Credit Awarded:	45			

Course Completion Date:

Official Graduation Date:

Commencement Ceremony:

Academic Calendar:

Each quarter is made up of two six-week course sessions, with the exception of summer quarter which is made up of 1 six-week session. Students normally take one course each session, however, some students choose to take two courses a session. For detailed information on course dates and school breaks, please refer to the academic calendar posted in the online student lounge PT899.

Courses Required for Graduation:

These courses must be completed in order to graduate from the tDPT program.

Advance Credit Awarded:

These courses were given advanced credit based off your portfolio and transcripts. Advanced credit means you have been given credit for the course material without taking the course.

Course Schedule Changes:

If you wish to make changes to your course schedule, please send a written request to Jennifer Harris, Academic Coordinator at jeharris@atsu.edu. Course re-scheduling will be done based on course and seat availability. All courses are automatically registered based on student's schedules. Quarter registration happens 4 weeks prior to the start of each quarter. Schedule change requests for the upcoming quarter must be done at least 6 weeks prior to the start of the quarter.

Completion and Graduation Dates:

Students may choose to attend the commencement ceremony in August of the academic year in which their degree will be completed.

By signing this document, I hereby understand the information in my academic plan and will abide by the policies established in the student handbook. I also understand that any requests to change, modify, or alter my academic plan must be made in writing and be approved by the Transitional DPT department.
