By signing below, I verify that I have read and agree to the following:

1. I must notify my School Certifying Official immediately if my class schedule changes due to courses being cancelled, dropped, or added. Failure to do so may result in a debt to the VA or University for which I will be responsible for.
2. I must submit transcripts from all of the Universities that I have previously attended if they were not previously submitted during the Admissions process. (For example, if you have submitted all transcripts to the Admissions department, nothing further is needed. However, if you have only submitted one of your transcripts and attended additional institutions, then you need to forward copies of these transcripts to your School Certifying Official.)
3. If I will be utilizing the Post 9/11 GI Bill (Chapter 33) benefit, my benefit may not cover the entire tuition/fee balance. (We can help you construct a schedule of payments to illustrate how your benefit will cover your tuition and fees during your enrollment. Please contact your School Certifying Official if you would like more information.)
