Publication Correction

In the following publication citation from the Winter 2010 Quartile, the ATSU author’s last name was cited incorrectly:

The citation should have been printed as:

Sorry we missed you last time

Congratulations to ATSU-KCOM Student Katie Davenport

Ms. Davenport’s poster, “A Rat Model for Studies on Pain Relief from Ankle Injury,” was the 2nd place winner of the Clinical Research Poster Competition at the 2010 Undergraduate American Academy of Osteopathy Convocation in Colorado Springs, CO, in March 2010. The poster presented the results of research conducted by an interdisciplinary team of ATSU researchers.

Deady L*, Cox J, Walston T. Mechanism of uptake of cystatin C by B16F10 melanoma cells. Poster presented at: Truman State University 23rd Annual Student Research Conference; April 13, 2010; Kirksville, MO.

Draper BA [student]*, Johnson JC, Chamberlain NR. Assessing medical student beliefs about osteopathic manipulative treatment at four osteopathic medical schools. Poster presented at: American Association of Colleges of Osteopathic Medicine 2010 Annual Meeting; April 7-10, 2010; North Bethesda, MD.

Fryer G*. The role of physiological measurement in osteopathic research. Keynote presentation at: 8th International Conference on Advances in Osteopathic Research; May 28-30, 2010; Milan, Italy.

Fryer G*, Johnson JC. Use of spinal and sacroiliac joint assessment and treatment procedures within the British osteopathic profession. Poster presented at: 8th International Conference on Advances in Osteopathic Research; May 28-30, 2010; Milan, Italy.

Guy MS [student]*, Sandhu SK [student], Gowdy JM [student], Cartier CC [student], Adams JH. Incidence and potential consequences of the axillary arch muscle as observed by shoulder MRI. Poster presented at: 2010 Ohio Osteopathic Symposium on Research and Education; April 29-May 2, 2010; Columbus, OH.

Leaming LE*, Leibert M*. Bridging the leadership gap: challenges and best practices for sustainable leadership. Presented at: Colorado Hospital Association 33rd Annual Rural Hospital Conference; May 5-7, 2010; Estes Park, CO.

Park JH*, Tai K [adjunct]*. Evaluation of the dental and skeletal changes using cone beam CT. Poster presented at: American Association of Orthodontists 110th Annual Session; April 30-May 4, 2010; Washington, DC.

Purcell ES*, Urlakis M, Shaffer F. Physiological and emotional effects of resonant diaphragmatic breathing. Presented at: Association for Applied Psychophysiology and Biofeedback 41st Annual Meeting; March 24-27, 2010; San Diego, CA.

Schwartzstein H [student]*, Shields CL, Markowitz JS, Belinsky I, Schwartzstein H [student], George NS, Lally SE, Mashayekhi A, Shields JA. Conjunctival melanoma. Origin de novo is worse prognosis than origin from nevus or primary acquired melanosis. Abstract presented at: American Ophthalmological Society 146th Annual Meeting; May 20-23, 2010; White Sulphur Springs, WV.

Whitman JK* [student], Fleschner CR, Stuart MK. Isolation of a ganglioside unique to the water-insoluble membrane fraction of ocular lens. Abstract presented at: 2010 Association for Research in Vision and Ophthalmology Annual Meeting; May 2-6, 2010; Fort Lauderdale, FL.
