OGME-IR, Residency
This is the first year of residency training in specialties where the OGME-1 year is incorporated into the Residency (Option 1). Educational content is set by the respective specialty colleges as approved by the AOA and is supervised by the institutional residency program director. On-site review is conducted with the residency review.

*Option 1 Specialties as of July 1, 2014*
- Anesthesiology
- Emergency Medicine
- Family medicine and OMT
- Family medicine/Emergency Medicine
- General Surgery
- Integrated Family medicine/NMM
- Internal Medicine
- Internal Medicine/Emergency Medicine
- Internal Medicine/Pediatrics
- Neurological Surgery
- Neurology
- Obstetrics and Gynecology
- Orthopedic Surgery
- Otolaryngology/Facial Plastic Surgery
- Pediatrics
- Psychiatry
- Urological Surgery
- Proctologic Surgery

OGME-IP, Preliminary Internship
This is the first year of training preliminary to residency training in specialties requiring a preliminary tracked internship year (Option 2). Educational content is set by the respective specialty colleges as approved by the AOA. OGME-IP trainees are supervised by the institutional intern program director. On-site review will be conducted with the internship. This is an internship year.

*Option 2 Specialties as of July 1, 2014*
- Diagnostic Radiology
- Neuromusculoskeletal Medicine and OMT
- Ophthalmology
- Pathology
- Physical Medicine and Rehabilitation
- Radiation Oncology

OGME-IT, Traditional Internship
This is the first year of training preceding residency training in specialties requiring a traditional internship (Option 3), or unrelated to a residency for trainees who have not yet decided on a specialty and/or who want the option of a traditional internship year. Educational content is set in this section of the AOA Basic Documents for Postdoctoral Training. Supervision is by the institutional intern program director, and on-site review is conducted as an internship. This is an internship year.

*Option 3 Specialties as of July 1, 2014*
- Dermatology
- Public Health and Preventive Medicine
Match type
ATSU medical students are competitive in osteopathic (DO), allopathic (MD), and military matches.

Class of 2014 top three residency programs

Class of 2014 primary care residency matches
ATSU considers family medicine, internal medicine, and pediatrics as primary care specialties.

3 year rolling average placement rate
