

## St. Louis Dental Center

The St. Louis Dental Education and Oral Health Center (St. Louis Dental Center) is a partnership between A.T. Still University-Missouri School of Dentistry & Oral Health (ATSU-MOSDOH) and Affinia Healthcare. The Center's clinical operations are supervised by Affinia Healthcare, and ATSU-MOSDOH is responsible for development and management of the educational curriculum for third- and fourth-year dental students.

The new 79,000-square-foot facility is a collaborative and innovative dental education and oral health center providing the highest standard of education for dental students, as well as comprehensive, affordable oral healthcare services for patients of all ages.

### Mission statements
